Dear Sir,

This has reference to the BIS Certification Marks Licence No. (CM/L-4100092070) granted to you for product **Stainless Steel Bars and Flats** as per IS 6603 : 2001.

As you are aware, the renewal of your licence was deferred due to the reason that the Firm hasn't submitted renewal application, requisite marking fee & extended PBG. In view of satisfactory completion of all actions by you, the Competent Authority of BIS has decided to renew your above deferred licence for further **Five** years, i.e. from **04-10-2022 to 03-10-2027**

It may please be noted that your licence shall expire at the end of the above mentioned period. You are therefore, requested to send your application for its renewal at least one month before the expiry of the licence.

It may also be noted that the Performance Bank Guarantee of US\$ 10,000.00 submitted by you within a month. Since as per the revised guidelines the Bank Guarantee should have a validity of six months more than the validity of the licence therefore, you are advised to get the validity of the Bank Guarantee extended accordingly. You are directed to submit revised Performance Bank Guarantee before its validity date, failing which we may be constrained to take action such as stop marking/cancellation of the BIS licence as enshrined in the BIS (Conformity Assessment) Regulation, 2018. Please ensure extension of PBG as early as possible.

There is an excess payment of INR **10,430.00/-** which may be adjusted during future payments. Please ensure that consignment details are regularly sent by the licensee through BIS Consignment module. The licence endorsement sheet regarding renewal of licence is attached herewith.

Thanking you.

Yours faithfully,
P. Deshick
